Company Code:	EQ1
Company Address:	Matamata, New Zealand
Company Profile	
<p>sport horse stud, started out in the beautiful and majestic reaches of the Coromandel Ranges. Comprised of 300 rolling acres with native bush, natural springs, and spectacular coastal views are the background to New Zealand's nursery for our quality performance horses, specializing in today's equestrian disciplines of Show Jumping, Eventing and Dressage.</p> <p>Complimenting our young horse nursery on the Coromandel Ranges, we have a training facility now based in the heart of the Waikato at Matamata on a beautiful property where we will be further providing services from the handling and starting under saddle of young horses to the training and reschooling of older horses, pre-training thoroughbreds and private or group tuition and clinics. All of which will be run along side our dedicated Sport Horse breeding operation. Stallions will also be standing at stud on our Matamata farm.</p> <p>We currently have a UK intern working for us at the moment and will have a vacancy in this position from the 20th of April.</p> <p>The successful applicant will be paid an allowance that will be discussed after viewing CVs but will be around NZ\$100 and the position includes free accommodation and board.</p>	
Applicants	
<p>To be considered for this position please email jon@internoptions.com or call 0207 353 7699 to discuss. Please include your CV preferably with a photo of you (smiling) and a photo of you riding.</p>
